June 2022 - Oct 2022

**Bachelor of Management Studies**, Mumbai University  
Marketing - IT

2018 - 2021  
9.12 CGPI

## SKILLS

---

**ReactJS**   **React Native**   **Redux**   **JavaScript**   **REST APIs**   **Material UI**   **Bootstrap**   **ES6**  
**HTML5**   **Flexbox**   **CSS3**   **GitHub**   **Netlify**   **Time Management**   **Teamwork**   **Communication**

## EXPERIENCE

---

**Front End Developer**  
SHV360

June 2023 - July 2023  
*Mumbai, MH*

- Built and maintained a responsive website for the company, along with the integration of SEO. Worked on different React frameworks, designed the user interface of the web app Edelytics Online and integrated APIs.

**React Developer**  
The Schnell Apps Pvt. Ltd.

Jan 2023 - May 2023  
*Bhiwandi, MH*

- Developed and maintained user interfaces for websites and web apps. Successfully integrated third-party APIs to enhance functionality and the user experience.
- Collaborated with cross-functional teams including designers, developers, and project managers to deliver high-quality projects on time.

## PROJECTS

---

**E-Commerce** : A React-based e-commerce app with Material UI, Context API, Router, and other tools for easy browsing and purchasing of products.([View](#))

**Speed-typing game** : A fun and engaging React-based speed typing game that uses useState, useEffects, useRef, useContext, and custom hooks to test, calculate, and improve typing speed and accuracy.([View](#))

**Tenzies** : Tenzies is a popular game, fully loaded with basic logic and focused on array methods like map, filter, and find.([View](#))

**Movie Search App** : This project is a React application with functionalities for movie searching and obtaining information about your favourite movies.([View](#))

**Book List App** : A JavaScript and React-based CRUD app for adding and managing book details. Allows users to easily add, view, edit, and delete books from a list.([View](#))

**Portfolio** ([View](#))
